Dear Mr. Corwin:

On July 30, 2002 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your August 5, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-You have failed to designate Premier Valley Bank as a depository on your Statement of Organization (FEC FORM 1). Commission Regulations require that each political committee disclose the name of its campaign depository or depositories (State banks, Federally chartered depository institutions or depository institutions the depositor accounts of which are insured). Please amend (electronically) your Statement of Organization to disclose all committee depositories. (11 CFR § 102.2(a)(1)(vi))

An adequate response must be received at the Commission by September 11, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions for time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
